

## ABOUT THE STATE

Happenings of Interest from Different Sections.

C. B. Schoolcraft of Mansfield, P. Q., has purchased a farm of 227 acres in the town of Wolcott for \$7,000.

Bellows Falls is to have no house-to-house canvass for the fifth Liberty loan. All who desire to subscribe will do so at the banks.

Mrs. Alfred Brown of Lyndon was severely injured in a fall recently, one hip being broken and one wrist. She has remained unconscious since the accident.

In Morrisville the village meeting this week it was voted to discontinue the municipal woodyard, as the necessity for it has passed. It showed a loss of about \$600.

Rev. Mr. Baker of Lowell, Mass., has accepted a call to the pastorate of the Congregational church at Randolph Center and will begin his duties at the latter place May 1.

Five members of the faculty of the Enosburg Falls graded school district have resigned to take up other lines of work, their resignations to take effect at the end of the school year.

Three carloads of cocoa beans arrived in Burlington Thursday, and yesterday the plant of the Vermont Milk Chocolate company, which had been closed down for a few days, while waiting for the shipment, opened up to work.

By the will of Mrs. E. E. Sargent of St. Johnsbury, the Church of the Messiah in that place gets \$200. The will also provides \$200 for the Methodist church of Moretown, of which her mother was a member, and \$200 to the town of Moretown to care for the Sargent-Howe lot in the cemetery.

Henry C. Jones, an American Express agent living in Florence, Mass., has been arrested for polygamy. It is alleged that with a lawful wife, Jennie C. Jones, he married Daisy Wilcox in Brattleboro and has been living with her for the past six months. He pleaded not guilty and his case was continued for a hearing.

The chicken thieves that have been operating in Washington county have secured quite a haul in Middlesex within the past week. From L. O. Wilder they secured 12 Rhode Island Reds and a few barred Plymouth Rocks; from the Newhall brothers 16 hens were stolen and from Mrs. Frank George, six.

Walter Strong was severely injured this week in Hyde Park. Mr. Strong was driving a team, standing up in a wagon, with an automobile hitched on behind. The machine started up and jammed into the wagon, throwing Mr. Strong out. He struck on the back of his head and was badly bruised and shaken up.

Within a month many millions of small lake pike and pike eggs will be placed in the waters of Lake Champlain and ponds and lakes throughout the state from the three government shipping stations at Milton, West Swanton and Burlington. A stripping station to be established on the wharf of the Champlain Transportation company in Burlington, which will be in operation within a short time.

The Queen City Cotton company's plant in Burlington, which has been practically closed for two weeks, will be reopened next Monday morning, thus giving employment to the 425 people who have been idle. The difference which caused the cessation of work have been adjusted. The weaving department has been closed for two weeks owing to the objection of the weavers to having their looms run automatically for a half hour at noon and at night.

Edward J. Walker of Burlington, who brought suit against Joseph Mitchell of that city to recover \$1,800, alleged to be due him for work done by him in Mitchell's saloon, received \$161 and interest, bringing the amount up to \$1,961.41. It was ruled in court that Walker could not claim pay for work in the saloon while he was an alderman, as an alderman is not allowed to have anything to do with a saloon, according to the statutes. The damages awarded, therefore, were mainly for stable rent.

Fire, which originated near the furnace, and the water used to extinguish it, did \$2,500 damage to the home of Dr. and Mrs. Arthur W. Farnsworth in Rutland Wednesday evening. Two streams of water were played upon the house for two hours. Had the telephone been usable when the blaze was first discovered, it is thought it could have been easily checked, but central did not answer and time was lost in getting to the nearest fire alarm box, which was a considerable distance from the Farnsworth home.

The Rockingham hospital at Bellows Falls is badly in need of more student nurses. Until the war opened there was no difficulty in securing them. Now but very few can be induced to register. In order to make it more attractive for attendants the trustees have voted to increase the compensation from \$8 per month and keep during the first year, \$10 during the second year and \$12 during the third year to \$10, \$12 and \$15, respectively. Because the hospital has been obliged to hire registered nurses almost entirely, it has had to borrow \$2,000 during the winter to meet running expenses.
